March 11<sup>th</sup>, 2024

The Village of Moreauville will be competing once again in the Louisiana Garden Club Federation Cleanest City Contest. The district judging is scheduled for the week of April 1<sup>st</sup>, through April 5<sup>th</sup>, 2024. The Louisiana Chairman of the Louisiana Garden Club Federation is Jan Lemoine of Hessmer and Karen Guillory is the President of the Moreauville Garden Club. Our sponsor for this year competition is the Moreauville Garden Club.

During the years 2014, 2015, 2016, 2019, and 2021, we won in our district and placed third in 2021 and 2022 placed second in state portion of our district B category and in 2023 we won state in our District.

Three volunteer judges rate each municipality in ten litter categories: approaches, public or municipal buildings; parks, recreation areas, and cemeteries; business establishments; residential areas; streets, sidewalks, posts, and neutral grounds; vacant lots; community involvement; Book of evidence and overall impression of cleanliness. Each category has a designated number of points.

The aim of the contest is to instill civic pride in the individual citizens and improve the appearance of our Village.

If you have any questions, please contact Beryl Holmes @ 305-9756, Melissa, and Benita at 318-985-2338 at the Moreauville Town Hall.

We thank everyone for participating in this project and continuing to keep our community clean and beautiful.

Beryl Holmes, Mayor
